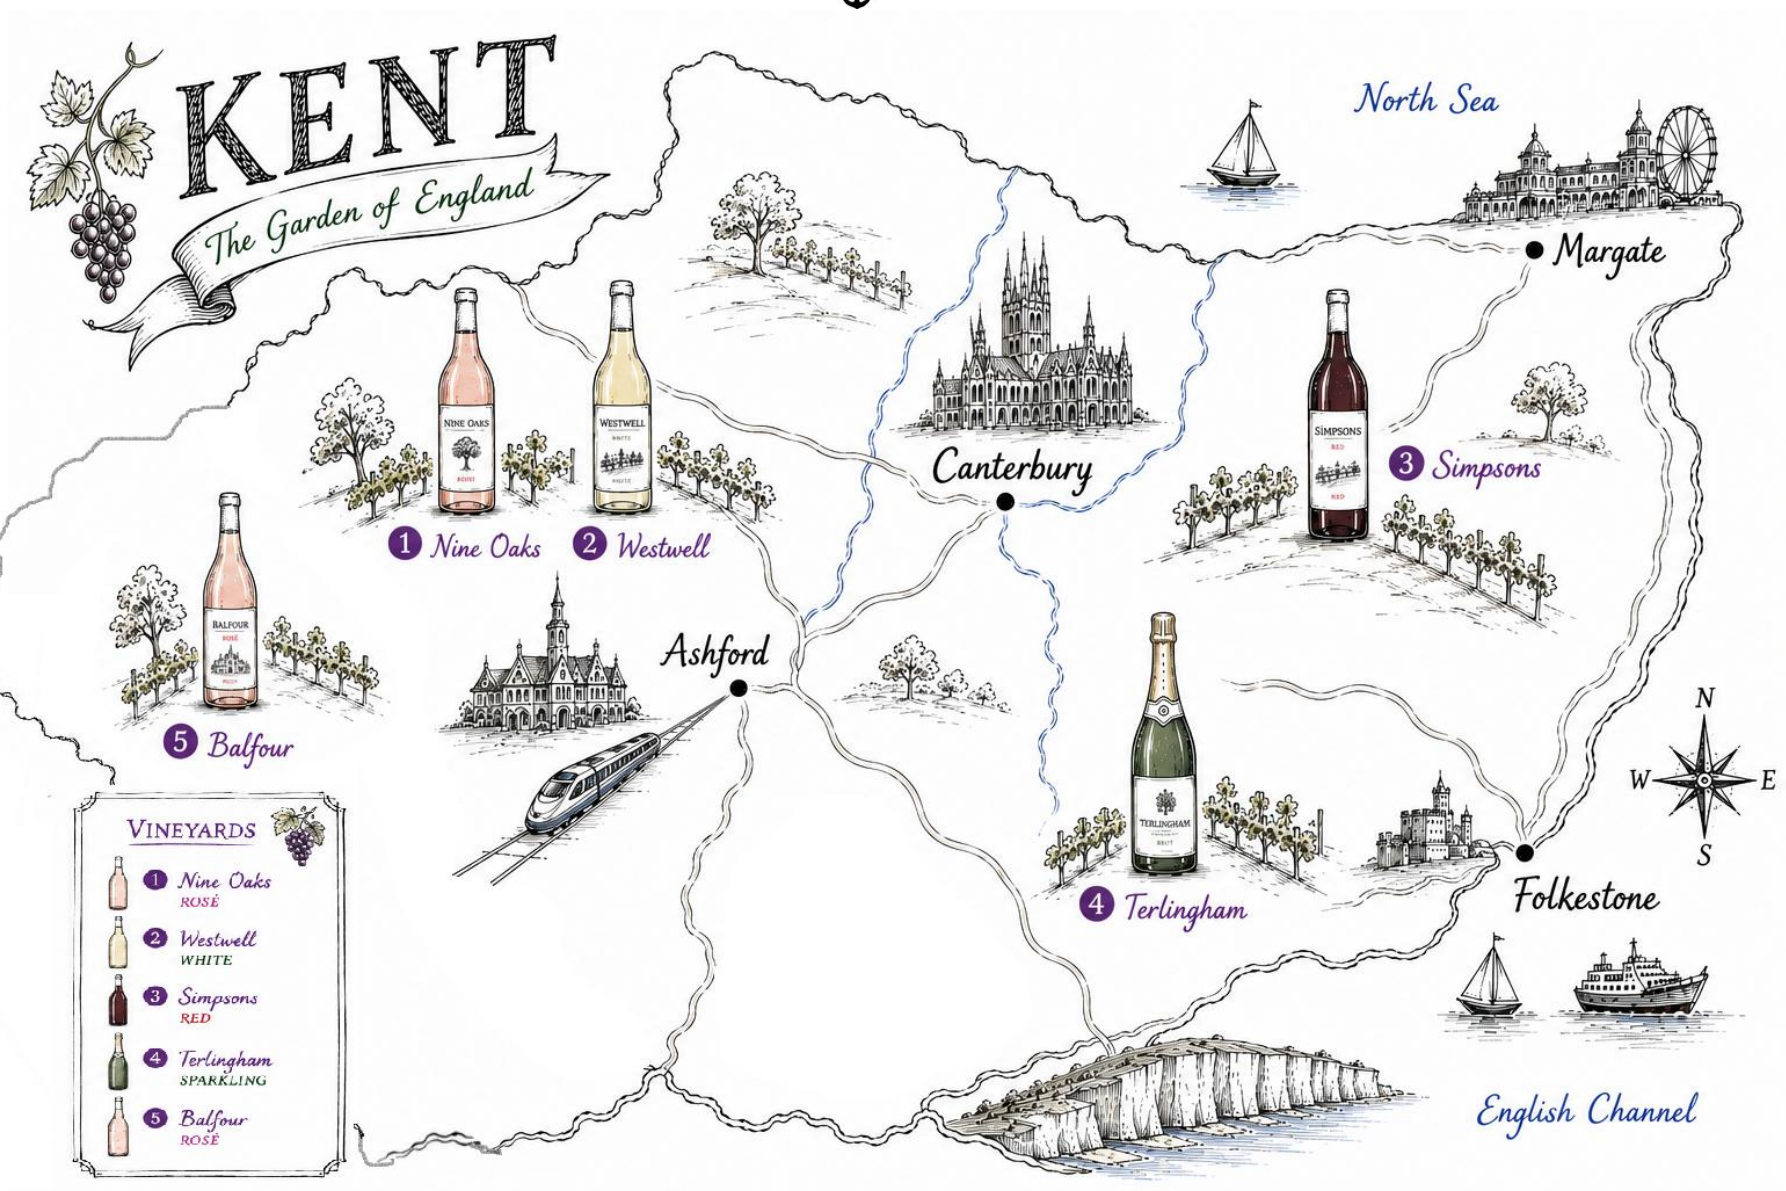
THE MARINER



The Garden of England... and England's Wine Country

Kent has been producing wine for almost 2,000 years. The Romans first planted vines here, recognising what we still know today – our chalk soils, sunny south-facing slopes and maritime climate create the perfect conditions for exceptional wines.

Fast forward to today and Kent has become the home of English wine, producing internationally award-winning sparkling, white, rosé and red wines that rival some of Europe's best. We feel incredibly fortunate to have so many outstanding vineyards right on our doorstep, and we're proud to showcase a selection from some of our favourites.

Nine Oaks Hothfield (20 miles)

A small family vineyard producing elegant, handcrafted wines. Their beautifully fresh, 100% Pinot Noir Rosé, is full of summer berries and made for long lunches and sunny afternoons.

Westwell Charing (21 miles)

One of England's most innovative wineries, Westwell is renowned for expressive, characterful wines. Their crisp Ortega perfectly captures the freshness of the Kent Downs.

Simpsons Barham (10 miles)

Founded by a family of winemakers with roots in France, Simpsons has become one of England's most celebrated estates. Their vibrant Rabbit Hole Pinot Noir showcases just how exciting English red wine can be.

Terlingham Folkestone (3 miles)

Just 3 miles inland from The Mariner, Terlingham produces elegant traditional method Sparkling Wine with crisp citrus flavours and a wonderfully fresh maritime character.

Balfour Hush Heath Estate (35 miles)

One of England's most iconic wineries, Balfour helped put English wine on the world stage. Their award-winning Nanette's Rosé is beautifully balanced, delicate and unmistakably Kentish.

Great food deserves great wine, and we believe there's nowhere better to start than right here in Kent.

KEEPING PUBS THRIVING IN THE HEART OF EVERY COMMUNITY
BII SUSTAINABILITY CHAMPION Award

THE MARINER

WINE

From sourcing and transport to packaging and daily operations, we're committed to making responsible choices across our business. We choose to work with producers who care for their land and communities as much as we do.
